10th District Court
for Colusi Co.

Suit brought to obtain Judgment the Plaintiff be first entitled to purchase from the State, the South ½ of Section 16 and South ½ of Section 17 Township 15 North Range 1 West.

Nov 17. 1870 Complaint filed, alleges that on 1st March 1869. Defendant made application and affidavit for purchase of above land in County Surveyors Office. That in March 1869 County surveyor made a survey of same duly recorded in his book Kept for that purpose, duplicate copies of which were forwarded to the Surveyor General and approved by him on 21st Aug 1869 and received and recorded by said County Surveyor on Sept 1. 1869 That on 12th Oct 1869 Plaintiff made application for said lands of County Surveyor, that on 22nd Oct 1869 said Surveyor made plat and field notes and recorded same in his book &c

and forwarded duplicate copies thereof to the Surveyor General, which were filed in his office on Oct 23rd 1869 on the 25th Oct 1869 Defendant filed in Surveyor General his protest against the approval of survey and location of Plaintiff and against the issuance to him of any evidence of Title That on 14th Oct 1870 Surveyor General approved the location of Plaintiff which was received and recorded in County Surveyors Book Oct 26th 1870. That on 28th Oct 1870 Plaintiff presented to County Treasurer &c said approved survey and location of lands aforesaid and paid said Treasurer the sum of $138.67 being 20% of principal sum and 1 years interest to June 1st 1871. That on 31st Oct 1870 he presented to Surveyor General his approved survey with his receipt of County Treasurer &c and demanded his Certificate of purchase, but said Surveyor General and Register refused to issue same because of Protest of defendant Therefore Plaintiff demanded a trial of the respective rights of Plaintiff and Defendant in the District Court of Colusi County

that thereupon said Surveyor General and Register issued his order transferring said suit and contest to the District Court of Colusi County— a certified copy of which order is on file with County Clerk.

That although Defendant filed his protest on 28th Oct 1869 he brought no action to determine his rights within six months - and by such neglect his right is barred and forfeited—

That defendant failed to make his payment within 50 days after approval and by such failure the State on 12th Oct 1869 was at liberty to sell same to Plaintiff.

Petition

for the formation of Reclamation District

No 108.

Before the Board of Supervisors of Yolo Co.

Aug 17, 1870.

The undersigned present Petition showing that they desire to adopt measures to reclaim the body of Swamp and overflowed lands described in the Schedule hereto annexed, and for that purpose to form a District to include the same.

The number of Acres is 74085 87/100 acres of which Petitioners are holders of Certificates of Purchase from the State of California, and other evidences of title to 42.279 87/100 acres, representing more than one half of all the lands within the proposed District. That the lands included within the limit of the proposed District are situated in Yolo and Colusa Counties of which 40.805 35/100 Acres are situated in Yolo Co. and 33280 52/100 acres are situated in Colusa Co.

The Schedule shows the several tracts of

land in the District, the number of acres in such tract, and the names of the owners thereof so far as known,

That the said body of land is susceptible of one mode of reclamation.

Prays that after due publication and the hearing of the same, you will grant the same and allow the formation of the said District. (Signed) The Sacramento Valley Reclamation Company by

Petition

for the formation of Swamp Land District

No. 124

Before the Board of Supervisors of Colusa County

Aug 18. 1871.

Petition shows that the undersigned desire to adopt measures to reclaim the body of Swamp and overflowed lands described in the Schedule hereto annexed and for that purpose to form a district to include the same, in pursuance of the Act of the Legislature approved March 28. 1868. A description of the lands is set forth by Township, Section, Range and subdivision of Section in said Schedule.

The number of acres in the whole is 20,060 acres of which petitioners are holders of Certificates of Purchase, Patents or other evidences of title to 10495 acres, representing more than one half of all the lands within the district.

The lands included within the limits of the proposed District are Swamp and Overflowed lands, and are situated entirely in Colusa County, and lie in one body, and are susceptible of one

mode of reclamation.

The quantity of land sold within said District is 18.740 acres, and unsold 1320 acres, and number of acres in each tract, and the names of the owners thereof when Known and if not Known described as unknown and particularly set forth in the Schedule.

Therefore prays &c that the Honorable Board will allow the formation of said District

From this Schedule the Searcher has selected only those portions which are under examination.
